If a student has a verified letter from a licensed physician indicating that a medical necessity requires a virtual learning option, their application will be prioritized for enrollment in the Virtual Virginia program. If a student does not have a medical necessity, the following criteria must be met:

1 The student has fewer than 5 unexcused absences during the 2020-2021 school year.

2 The student had no office referrals during the 2020-2021 and **2021-2022 school year.**

3 The student is self-motivated, self-disciplined and is performing at grade level (C average) in all subjects/courses and they communicate effectively through writing.**

4 THE STUDENT HAS REGULAR, DAILY ACCESS TO A COMPUTER WITH RELIABLE INTERNET CONNECTIVITY.
**

5 If the student is a high school student, they have reviewed the elective course options in Virtual Virginia and have verified that these courses will meet graduation requirements.

6 All applications are due by December 1, 2021. Acceptance and enrollment are on a first-come, first-serve basis.
